## JUDITH BURSTEIN COHEN '54 LEGACY SCHOLARSHIP

*Judith Burstein Cohen '54*

The Judith Burstein Cohen '54 Legacy Scholarship was created by Judy's family and friends in honor of her 75<sup>th</sup> birthday. The scholarship is awarded to a female Heller MA SID student from outside the U.S.

Judy Cohen received her BA in History from Brandeis in 1954. Judy continues to be very involved at Brandeis and at Heller. She and her family, including her two sons, Mark '85 and Gary, and her daughter and son-in-law, Nessa and Steven Lear, enjoy hearing from fellows each year. Judy often visits Heller to learn more about the recipients of her fellowship fund. The recipients of the fellowship very often refer to her as "Mom" and each year she attends the Brandeis Scholarship Luncheon to meet Cohen Fellows. On Mother's day, she hears from many fellows and students from all over the world, which is very exciting and terrific for Judy.
