

***Mark your calendar!***

# **Earth Day in Waltham**

## **Sunday April 22, 2007 10 AM – 4 PM**

**Cedar Hill Girl Scout Campus, 265 Beaver St &  
UMass Field Station, 240 Beaver St**

### ***Fun and education for the entire family!***

- View displays by local organizations
- Come to Animal Adventures – a live animal show
- Learn about Waltham's open spaces and special places
- Learn how Climate Change affects everyone through feature movies and talks
- Find out what others are doing to protect the Earth and learn how you can help
- Explore greenhouses, gardens and trails and drop off your soil sample for testing
  - Enjoy a picnic lunch or purchase from participating food vendors
  - Learn more about energy conservation in your home
  - Enjoy FREE transportation to the event, including rides on the city trolley

Earth Day was started in 1970 to enhance public understanding of natural systems — water cycles, ocean currents, climate, soil and wetland systems — the roles they play in our lives, and the importance of protecting and sustaining them through activities that are environmentally sound.
