

## **Massachusetts Project Peer Connection**

---

**PI:** Mary Brolin (brolin@brandeis.edu)

**Collaborators:** Brandeis is a subcontractor to Spectrum Health Systems, Inc.

**Funder:** Department of Justice / Bureau of Justice Assistance

**Grant Period:** 1/1/2016 – 12/31/2018

---

### **Project Description:**

Project Peer Connection (PPC) is a statewide re-entry mentoring program designed specifically to address service gaps as offenders transition from prison back to the community. Brandeis' evaluation monitored implementation and outcomes to learn about best practices that work for Spectrum and the Department of Correction (DOC) specifically and for Massachusetts more generally.
