

**ARTHUR AND BELLE LIND ENDOWED  
FELLOWSHIP**

*Sonja and Bernard '63 Lind*

The Arthur and Belle Lind Endowed Fellowship was established in 2007 by Sonja and Bernard '63 Lind to support students from Africa or the Eastern Caribbean States attending Brandeis. The fund is in memory of Bernard's parents, Arthur and Belle.

Bernie received his Bachelor's degree in Anthropology from Brandeis in 1963 and went on to get his MBA at Columbia University. He has served as a Brandeis President's Councilor and was a founding member of the Alumni Club of Great Britain. Bernie spent most of his career in international finance in the US and the UK, before starting an international management consulting firm, Bernard J. Lind & Associates. Now retired, he continues to work with emerging market initiatives. He was a founding shareholder in Fidelity Bank Ghana where he served as a director and the first Chairman. On his visits to Ghana he has worked with local alumni in creating the Brandeis Graduates Association of Ghana.

Sonja and Bernard reside in Palm Beach, Florida and St Jean Cap Ferrat, France. They remain interested in hearing from the Lind Fellows who they support. His son, Evan Lind, a professor of immunology at OHSU, also enjoys hearing from the Lind Fellows.
