

FRIEZE FELLOWSHIP

*Linda and Michael Frieze addressing guests at the 2015
Scholarship Appreciation Luncheon, which they hosted.*

Michael and Linda Frieze share the University's commitment to academic excellence and social justice. They have generously supported many important initiatives of Brandeis, including the Transitional Year Program, Posse, and the Frieze Fellowship, which supports Heller School domestic or minority Master's graduate students.

Linda is a former member of the Heller School Board of Advisors and has also been a member of the Transitional Year Program and Posse Advisory Councils. Michael is Chairman of Gordon Brothers Group. He is a former Trustee for Brandeis University, and a Trustee for Dana-Farber Cancer Institute and Children's Hospital. Michael is also a past Chairman of Friends of Yemin Orde Youth Village in Israel.

"Brandeis's history and mission resonates with us and holds a very special place in our hearts. We are certain that our investment in Brandeis and its students is sound. ... We are proud and dedicated stakeholders in the Brandeis ideal of promoting a just society by challenging injustice and valuing diversity." – Michael Frieze, Scholarship Appreciation Luncheon, March 25, 2015
