Question 1

What do you view as the most needed or expanded upon research topics/areas for community living policy research?
What research is most needed to reduce barriers to equitable community living?
Question 3

In the next 5 years, where do you see the greatest opportunities to advance policy and practice in Home and Community-Based Services (HCBS)?
Question 4: Bonus Question!

If you could have 1 study or piece of data to advance community living policy, what would it be?
