# Minnesota's Vision: Nation-leading Reforms

In 2008 the MN legislature passed comprehensive health reform that includes:

- Public health investment
  - Statewide Health Improvement Program (SHIP)
- Market transparency
  - Provider Peer Grouping
  - Statewide Quality Reporting System
- Care redesign and payment reform
  - Health Care Homes
  - Baskets of Care

# Payment Reform

- In 2008, market not ready for/accepting of government-driven payment reform
- Multiple payment reform models currently underway in private market

# Payment Reform Discussions

What is the role of the state?

- Keep momentum going
- ACO discussion paper released - September 2009
- Payment reform summit - May 2010
  - CEOs, healthcare thought leaders
  - Highlighting pilots currently underway
  - Emphasis on payment AND care redesign
  - Small group breakouts focused on solutions to barriers
