

Relational Coordination Research Collaborative Spring 2019 Calendar Research & Practice RC Partner Cafes

The RC Cafe is not a typical webinar. Each month, RCRC partners come together virtually as a learning community of researchers and practitioners working on and studying organizational change. On RC Cafes, partners can present their work, lead a discussion about any topic of mutual interest or seek advice regarding a challenge they are facing with a specific initiative.

Cafes are held on the third Thursday of each month and we rotate the time to provide convenient opportunities for partners in all time zones. **New this semester; we invite partners to stay on the call for 30 minutes after it ends to continue the conversation or share updates.**

Discussion leaders and presenters will continue to be added - please reach out to us if you have something to share about any of these topics! Interested in proposing a cafe topic? Email us at info@relationalcoordination.org.
