Co-creation and Relational Coordination

- Co-creation as a management paradigm
- Co-creation as a process for social innovation
- Management and co-creation
- Methods of leadership and measurement of co-creation
- Personal leadership in co-creation processes
- Prototyping
Transdisciplinary Learning Design
RC Mapping in a Socialpedagogical Institution for Adults
‘[…]Thus, management must take initiatives based upon relational coordination, with the stakeholders involved, so that co-creation makes sense for them’

Martin Højgaard Jensen, Daniel Weinreich, Niels Lassen and Halil Baldan (2017)
