SUBMISSION INFORMATION

We welcome submissions from multiple disciplines and methodologies. Presentations will be given in an interactive session or poster session with opportunities for discussion. We invite abstracts based on work that is *completed* or *in progress* on the following topics:

- **Professional and Social Identities.** Building relational coordination across professional and social identity differences to achieve desired outcomes for multiple stakeholders.
- **Worker Voice.** Connecting across ethnic, gender, occupational and power differences to achieve worker voice, fair pay and worker well-being.
- **Healthcare Networks.** Strengthening networks across healthcare systems, community organizations, and public health to address social determinants of health and deliver high value care.
- **Relational Ecosystems.** Building relationships across diverse stakeholders in ecosystems to solve grand social challenges like climate change, pandemics, affordable healthcare, poverty and hunger.
- **Resilient Communities.** Building relationships across differences to build inclusive, vibrant and resilient communities.

You may also submit a set of 3 or 4 abstracts with a common theme to be presented together in the same session.

ABSTRACT SPECIFICATIONS

- **Word limit:** 500 words (not including the title and author[s]).
- **Content:** Abstract should provide a concise summary of your project, the context, the methodology, and key findings (or expected findings).
- **Electronic submission form:** Please submit your abstract via [the electronic submission form](#).

PRESENTATION

For each accepted abstract, presenter(s) will be notified of the designated presentation format:

- **Oral presentation:** 15- to 20-minute oral presentation
- **Short presentation:** 5-minute oral presentation
- **Poster presentation**
